To whom it may concern:

As President of the Hellenic Rheumatology Society and Professional Association of Rheumatologists, I have had the pleasure of working with PCO CONVIN on numerous occasions. One of them was the Post-educational Rheumatology Courses, held in Thessaloniki, Greece in December 10-13, 2015.

PCO CONVIN exhibited professionalism and high expertise before, during and after the Courses took place. The PCO CONVIN staff involved had no trouble carrying out all required services. I would therefore not hesitate to recommend this office to any scientific organization.

If you have any further questions, or would like to speak with me about my experience, please feel free to contact me.
