

WELCOME
to the
EAPD 2026
Mobile App

HOW TO USE THE Congress MOBILE APP

How to set it up:

- Android devices

Search for **The Event App by EventsAIR** on the Google Play Store.

When you are prompted for a code upon launching the App, enter **eapd26**

- iOS devices

Search for **The Event App by EventsAIR** on the App Store.

When you are prompted for a code upon launching the App, enter **eapd26**

The App may be used without logging in. If you do decide to log in, you will be able to use some additional features, such as messaging other attendees (upon consent to message), and your personalized agenda.

In order to log in, tap the Log In icon and insert your **email address** and the **PIN** that you have received via email.

INSTRUCTIONS

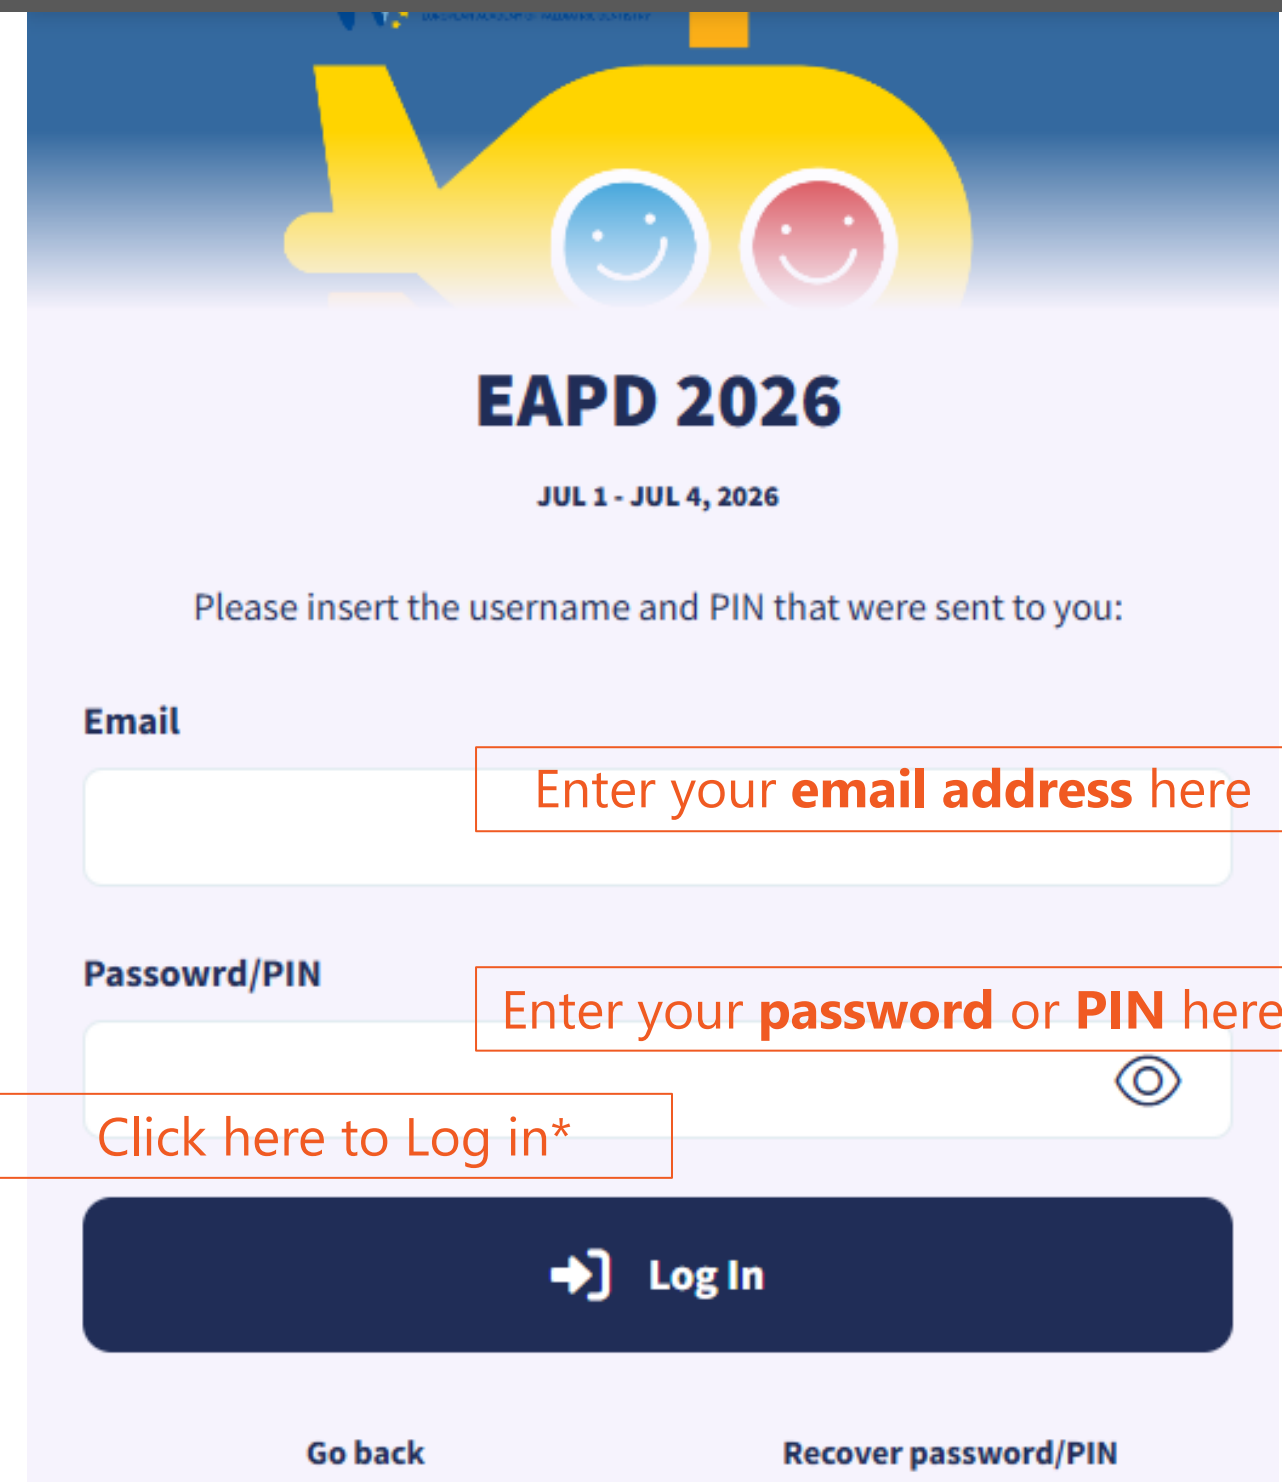

LOGGING IN

You will be able to access the Mobile App several days before the Congress to log in and see how it works.

After entering the Event Code, you will be greeted with this splash screen!

Click on Log in...

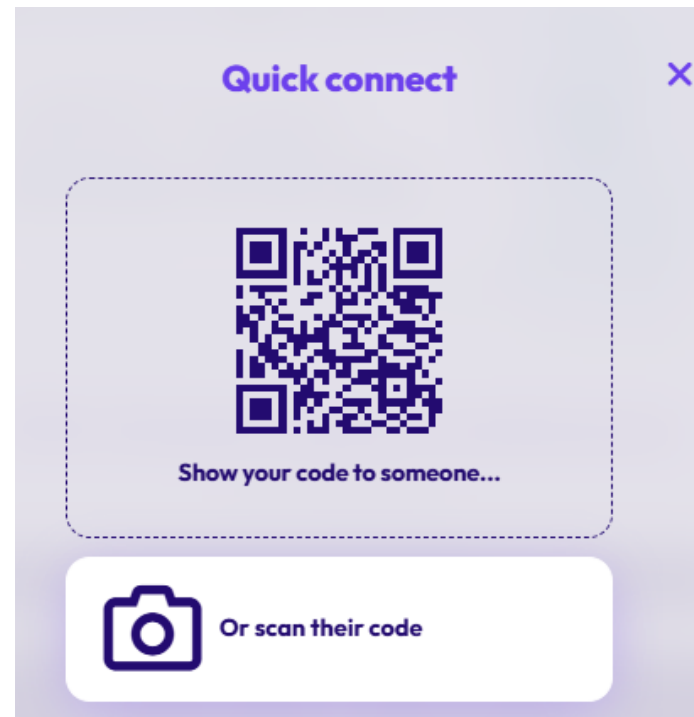

* Login credentials (e-mail/ pin) are sent via email a few days before the Congress begins.

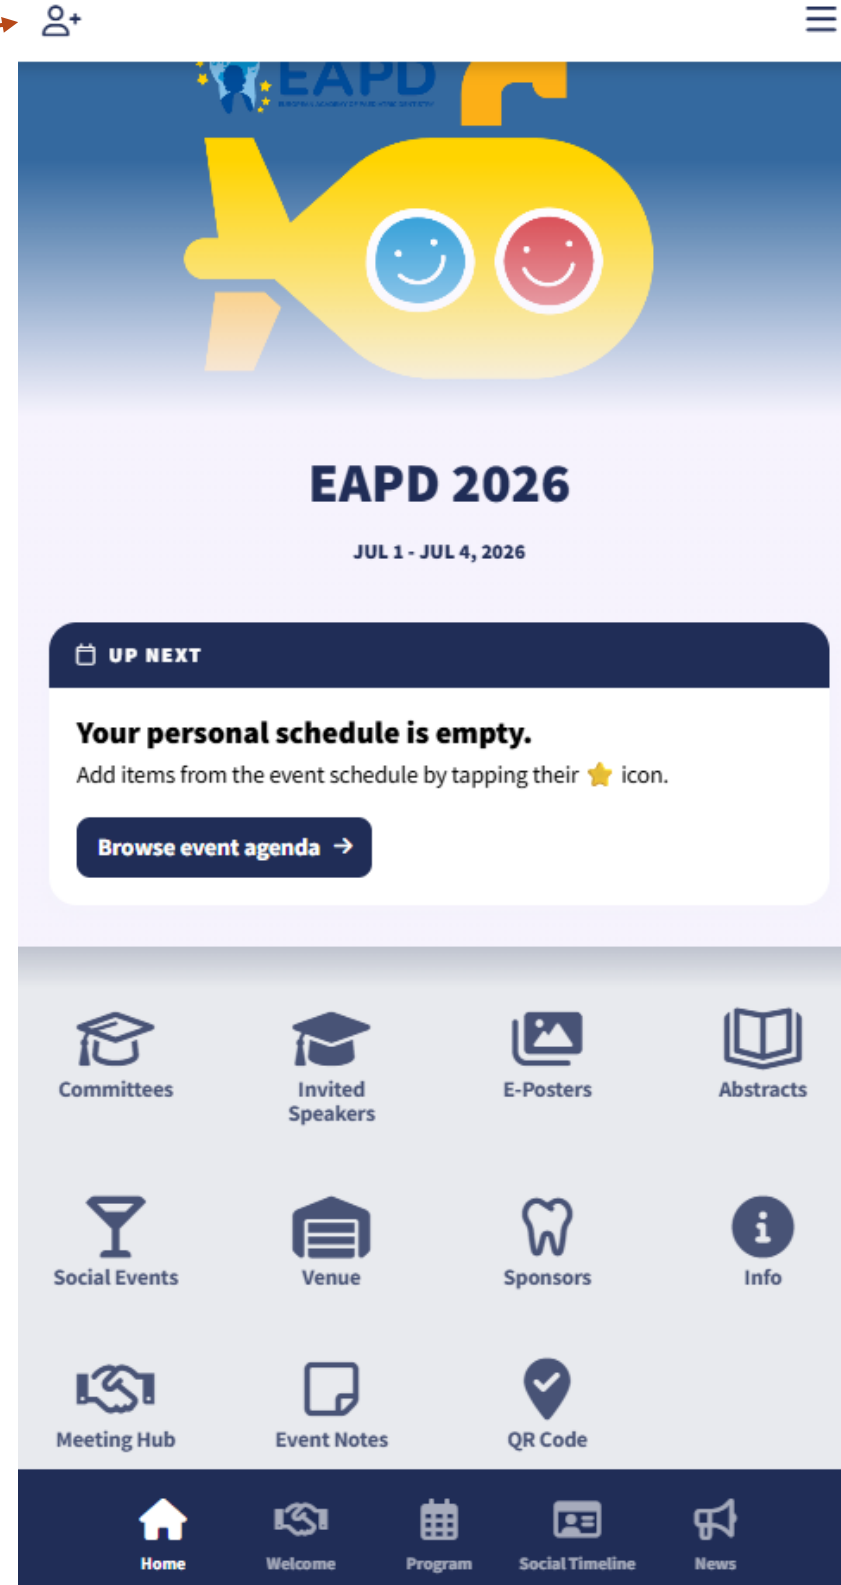

INSTRUCTIONS

HOME SCREEN

Tap on this button to scan your QR codes and connect with fellow attendees!

You can view interesting **information** regarding the Congress, along with the **Congress Program** updated in real time.

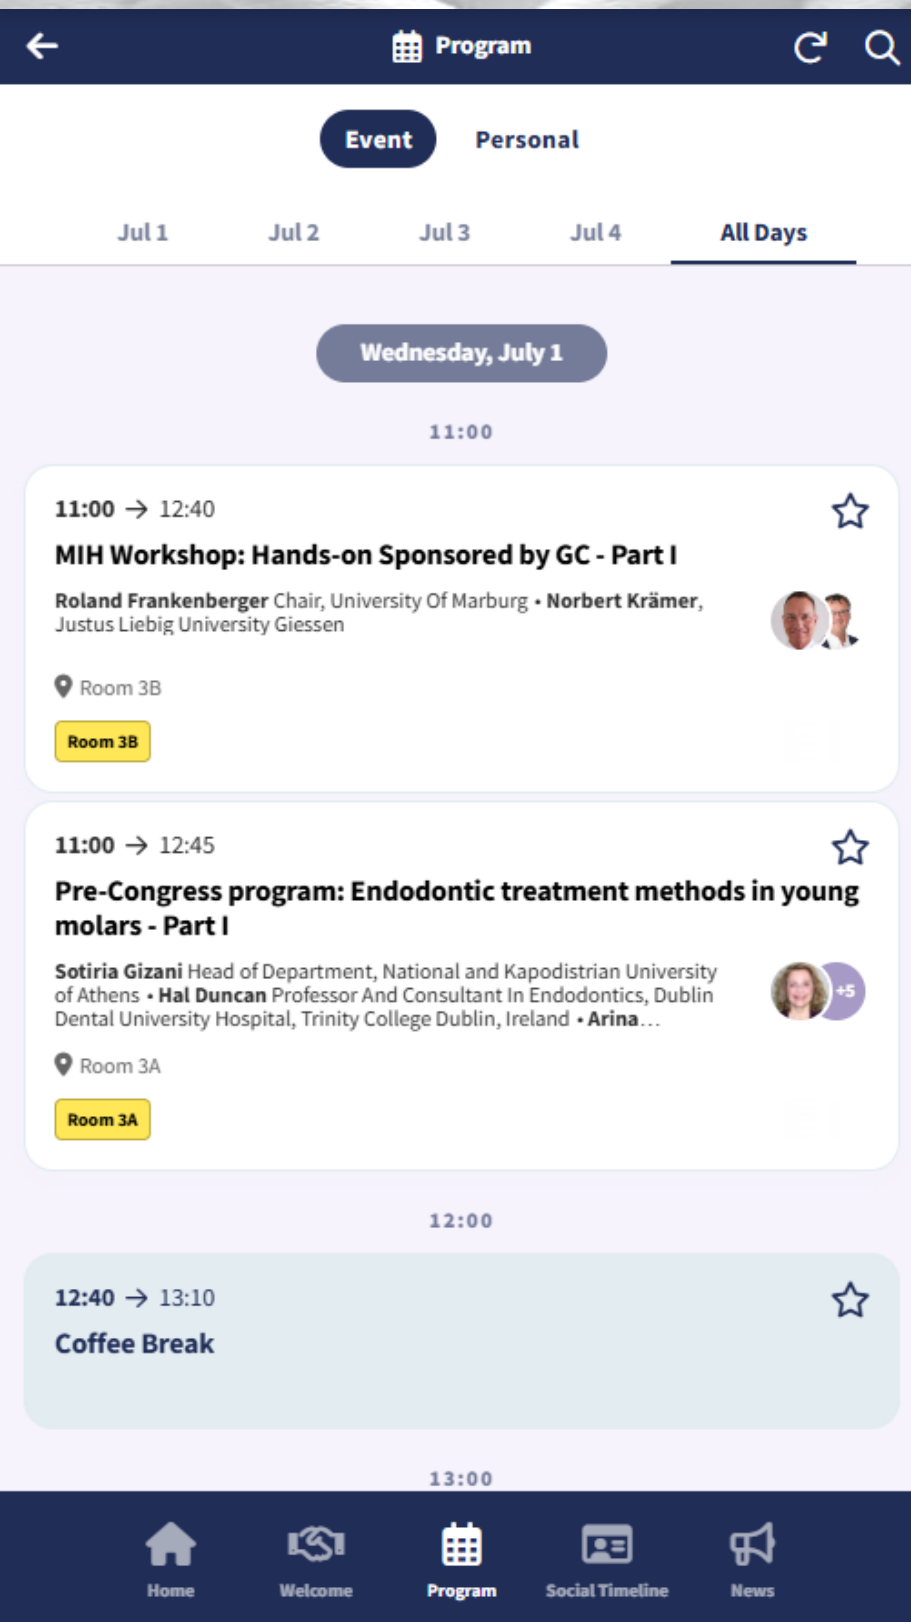

Tap on the menu button to change your **Privacy Settings**!

The Home Screen will always show the next upcoming Session.

News Alerts will pop up as notifications, and will be available through the "**News**" tab!

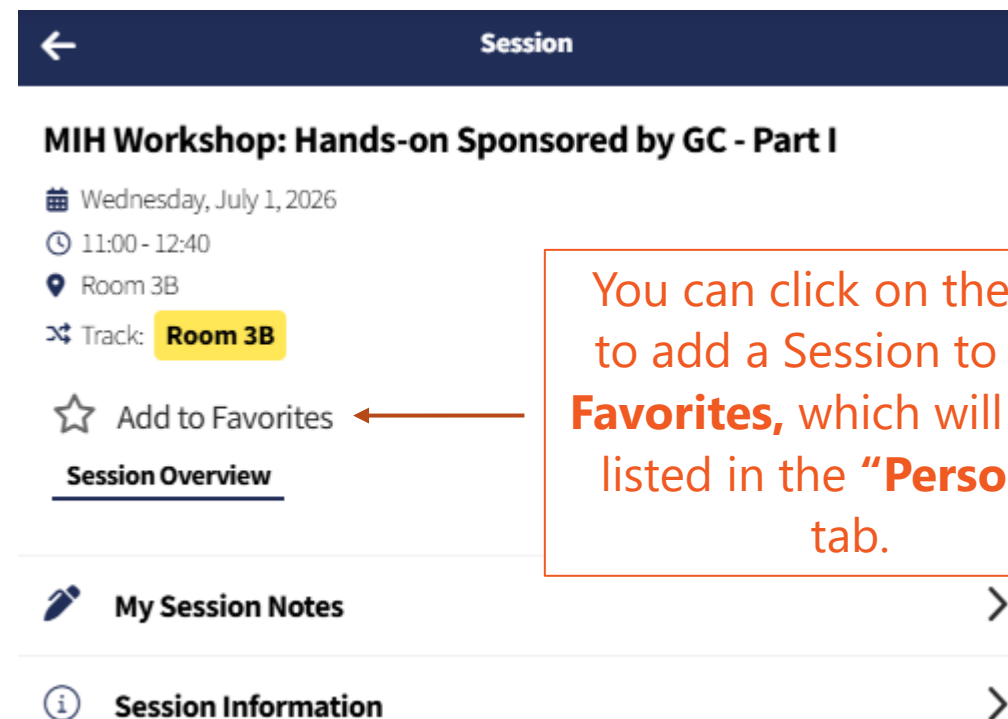

INSTRUCTIONS

SCIENTIFIC PROGRAM

You can use the **Search** function to search for a specific Session.

Tapping on a **Session block** will display the Session Overview.

You can click on the **star** to add a Session to your **Favorites**, which will all be listed in the "**Personal**" tab.

Click on "**Session Information**" to see all presentations in a Session.

Tap "**Program**" to view the entire Scientific Program.

MEETING HUB

SOCIAL TOOLS

You can communicate, upon request and consent, to all participants who have opted in to using the Meeting Hub!

Start Live Chat with Mohammad

You can export all your contacts by clicking on the "Export" button, which will send all the details to you via email.

Here, you can **Search** for attendees that have opted in to communication, and filter by "Online Now" or not! Note: You are not able to find yourself in the list!!

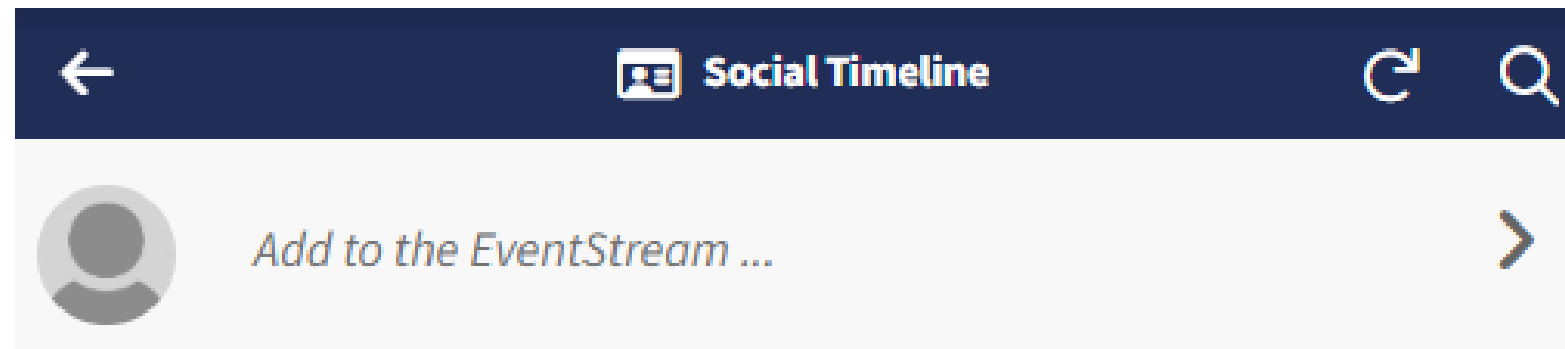

Attendees that have chosen so in their Privacy Settings will appear with their first and last name. If someone hasn't downloaded the App or changed their Privacy Settings, they will appear with their first name and last name initial.

Once you've located an attendee, you can contact them via instant message upon their consent.

SOCIAL TIMELINE

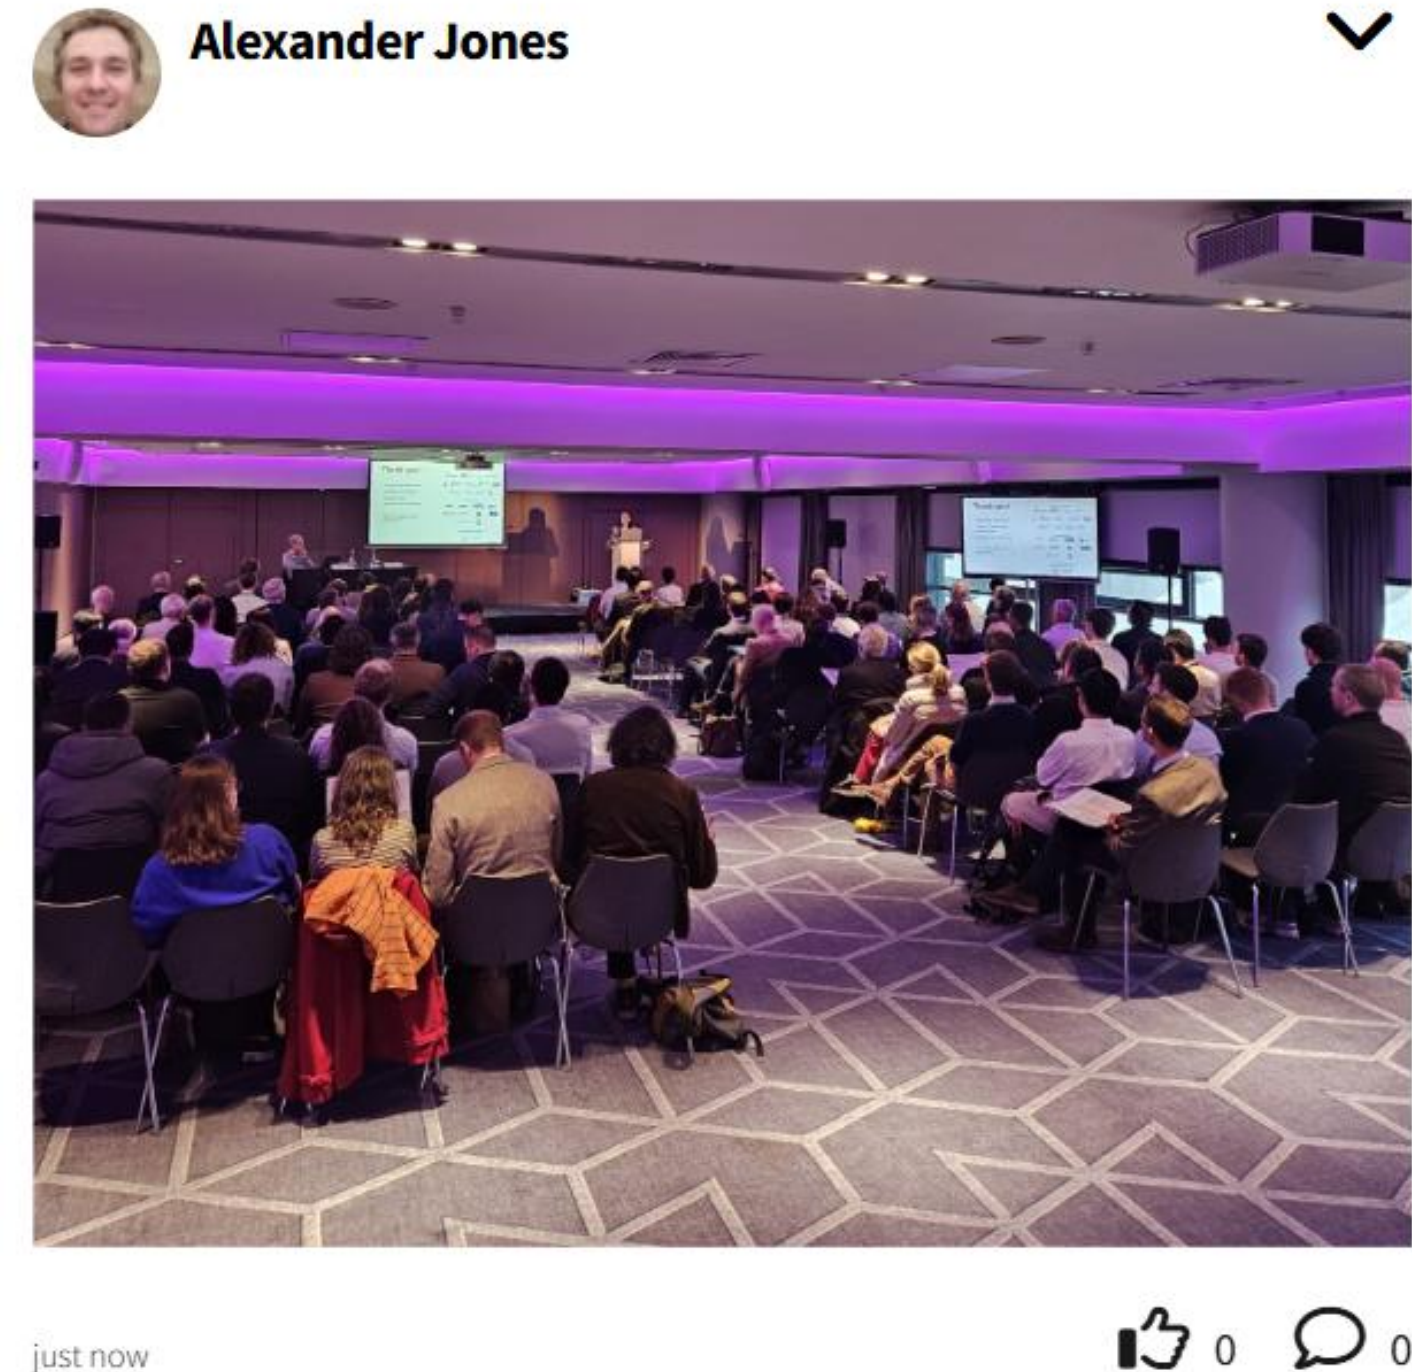

SOCIAL TOOLS

Post fun and notable things about the Congress to your Social Timeline!

Tap on "**Social Timeline**" to add photos and posts to the EventStream, and share your experience with other Mobile App users!

You can like and comment on other people's posts, just like on social media!

You can update your Privacy Settings, which include your contact details and Social Media Profiles, among other things!

You can change your Privacy Settings from the top-right menu, by tapping on **"Privacy & Settings"**.
